## NEW YEAR'S RESOLUTION

A New Year's resolution is a goal for the new year. People make one to improve themselves. They often choose goals like "study harder," "eat healthier," or "exercise more." The important thing is to set good goals and take small steps each day to complete them.

## JAXSEN'S RESOLUTION :

This year, my goal is learning how to make miso soup and takikomi gohan.

## CHANTELLE'S RESOLUTION :

This year, I want to visit two or three new prefectures!

## PIERRE'S RESOLUTION :

My New Year's resolution is to eat healthier and walk at least 100km each month.
